

SAVE LIVES – DON'T LITTER

◀ Each year, NIWRA admits raptors that have been hit by vehicles while hunting for food beside the road.

Food thrown from vehicles attracts rodents. Rodents attract ▶ hunting raptors and other animals to the side of the road where they are often hit by cars.

◀ Roadside litter, even biodegradable items such as apple cores and banana peels, can have a devastating impact on wild animals.

What Do I Do?

- Do not throw food out the car window
- Dispose of your trash properly
- Share the message with your friends
